in [James Bell](#)

Location: London, UK

SKILLS

Proficiency in Microsoft programs
(Word, Excel, PowerPoint, Outlook)

Software: R, STATA, Nvivo, SPSS

Languages: French (advanced),
Russian (advanced), Spanish
(intermediate), Polish (basic)

Example Projects

Vaccination Uptake in 3 African Countries: Programme of research in Nigeria, Uganda and Guinea to understand community, family and individual-level determinants of early childhood vaccination uptake to inform BMGF and partners' programmatic activities and future intervention design

Test & Treat South Africa: Multi-stage project to understand barriers to HIV testing and treatment initiation among young men in South Africa to design appropriate interventions. [Featured in 2018 UNAIDS Report](#). Led to the [Coach Mpilo Intervention](#)

PUBLICATIONS & PRESENTATIONS

- 2020 ● **Targeting interventions for HIV testing and treatment uptake: an attitudinal and behavioural segmentation of men aged 20-34 in KwaZulu-Natal and Mpumalanga, South Africa**
Peer reviewed article, PLOS ONE (revise and resubmit)
Bell J, Sharma S, Malone S, Levy M, Reast J, Ciecielag J, Gogolina S, Ansons T, Fourie S, Braz R, Little K, Hasen N
- 2019 ● **Understanding barriers to HIV testing and treatment: a study of young men and healthcare providers in KwaZulu-Natal and Mpumalanga**
Peer-reviewed article, South African Health Review [\[Link\]](#)
Bell J, Sharma S, Malone S, Levy M, Reast J, Little K, Hasen N
- 2019 ● **Attitudinal, situational and behavioural factors affecting ARV initiation among newly diagnosed HIV+ men aged 20-34 in Mpumalanga and KwaZulu-Natal, South Africa**
Presentation at AIDS Impact 2019 (Presenting author) 📍 London
Bell J, Sharma S, Hasen N, Malone S
- 2019 ● **Awareness of PrEP and Drivers and Barriers to Use Among Men Aged 20-34 in Mpumalanga and KwaZulu-Natal, South Africa**
Poster at IAS 2019 📍 Mexico City
Bell J, Sharma S, Hasen N, Malone S

Selected publications and presentations. For a full list [click here](#)

ADDITIONAL COURSES AND TRAINING

- 2020 ● **Microbiology**
University of California San Diego Extension, 4 units
- 2020 ● **Applied Immunology**
University of California San Diego Extension, 3 units
- 2017 ● **TRREE Research Ethics Training**
- 2016 ● **Advanced Certificate in Market and Social Research Practice**
Market Research Society. Subsequently tutor and examiner for 2018-2019 assessment rounds
